IAT Activation Process

A quick visual guide to what happens next

1

Check Your Email

Look for an email from us with your Addendum.

2

Review & Sign the Addendum

Read it carefully and e-sign it to begin activation.

3

Account Created

Once your signed addendum is received, your HighLevel account will be created.

4

Activate Your IAT Plan

Log in and activate your plan for \$1 per month.

(Your \$1 is credited back to your IAT account each month toward eligible GHL usage.)

5

Access Your Circle Space

Get access to training, tutorials, templates, and helpful resources.

6

Get Expert Support

Use the Extendly Help Desk inside your account for technical support.

Pro Tip

Recommended Onboarding Service

For the smoothest start, consider IAT White-Glove Onboarding with Extendly. Their team will guide you through the technical setup so you can start using your IAT account faster and with confidence.
